Full Design Overview

The entire design on one page. Heavy gridlines mark every 10 stitches with row/column numbers.

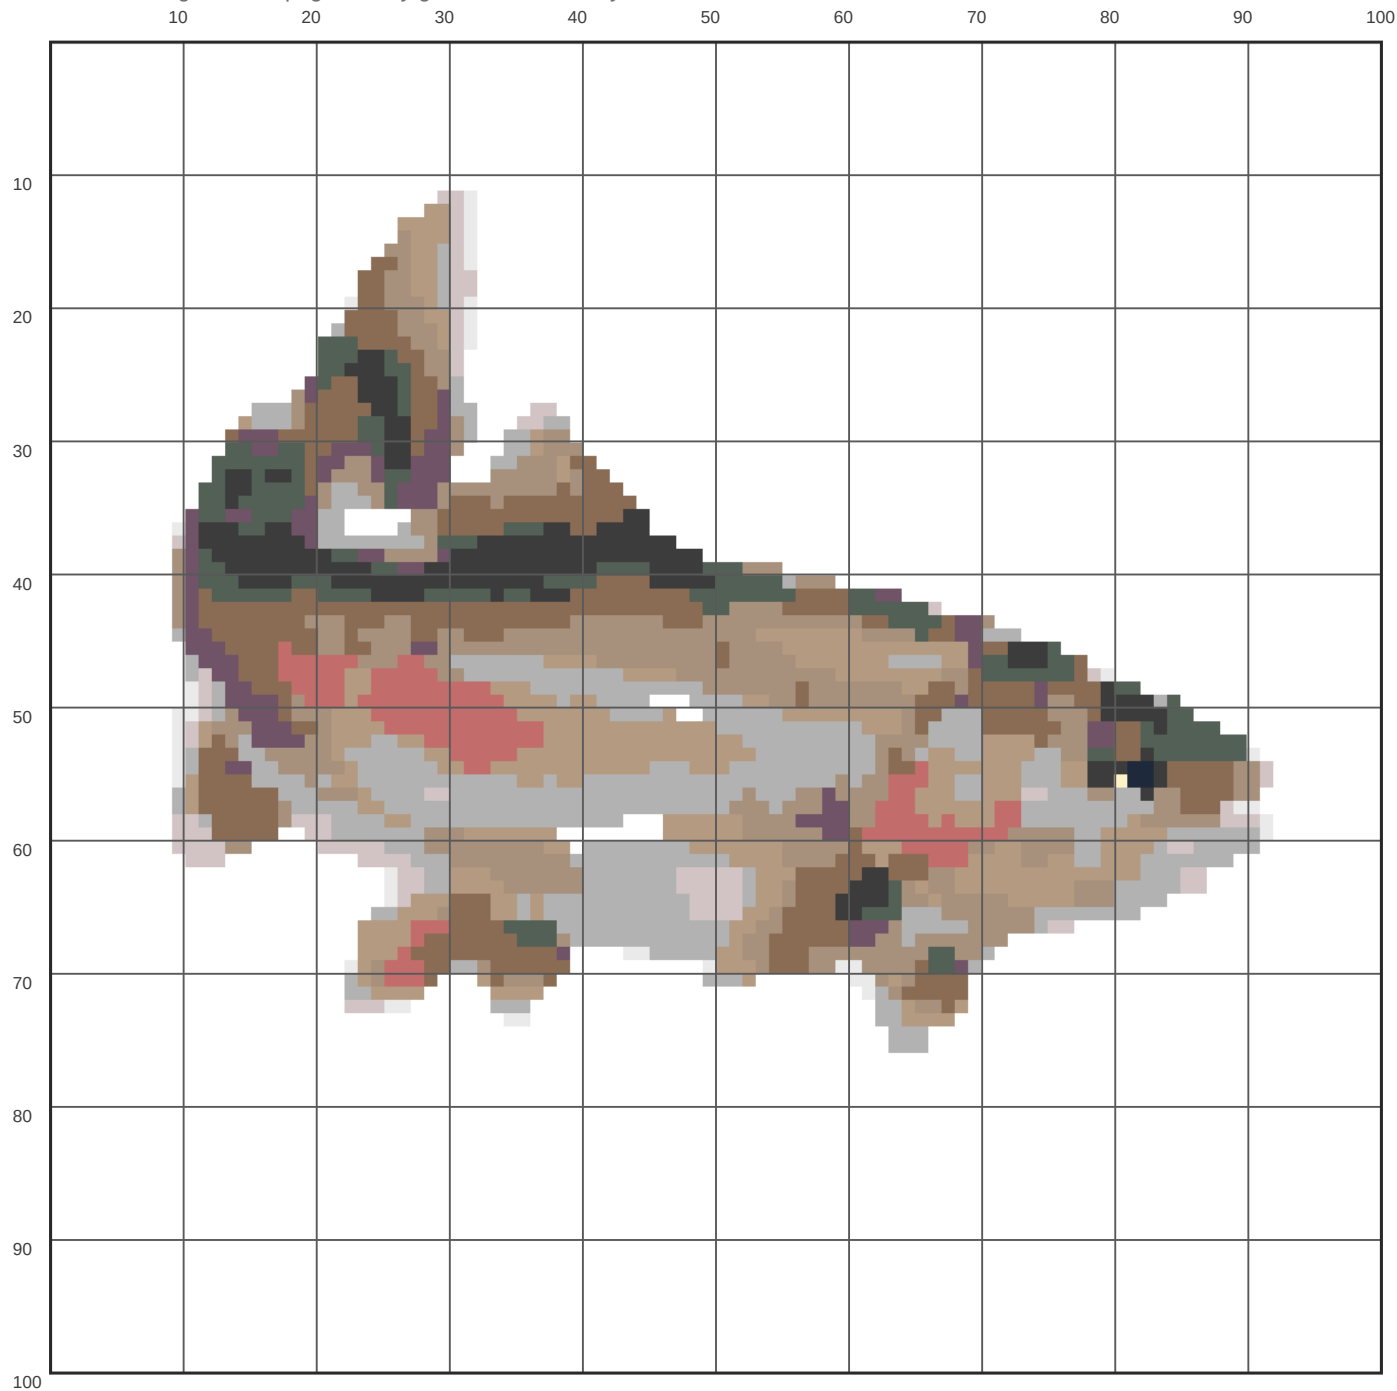

Chart 1 — rows 1–60, columns 1–60

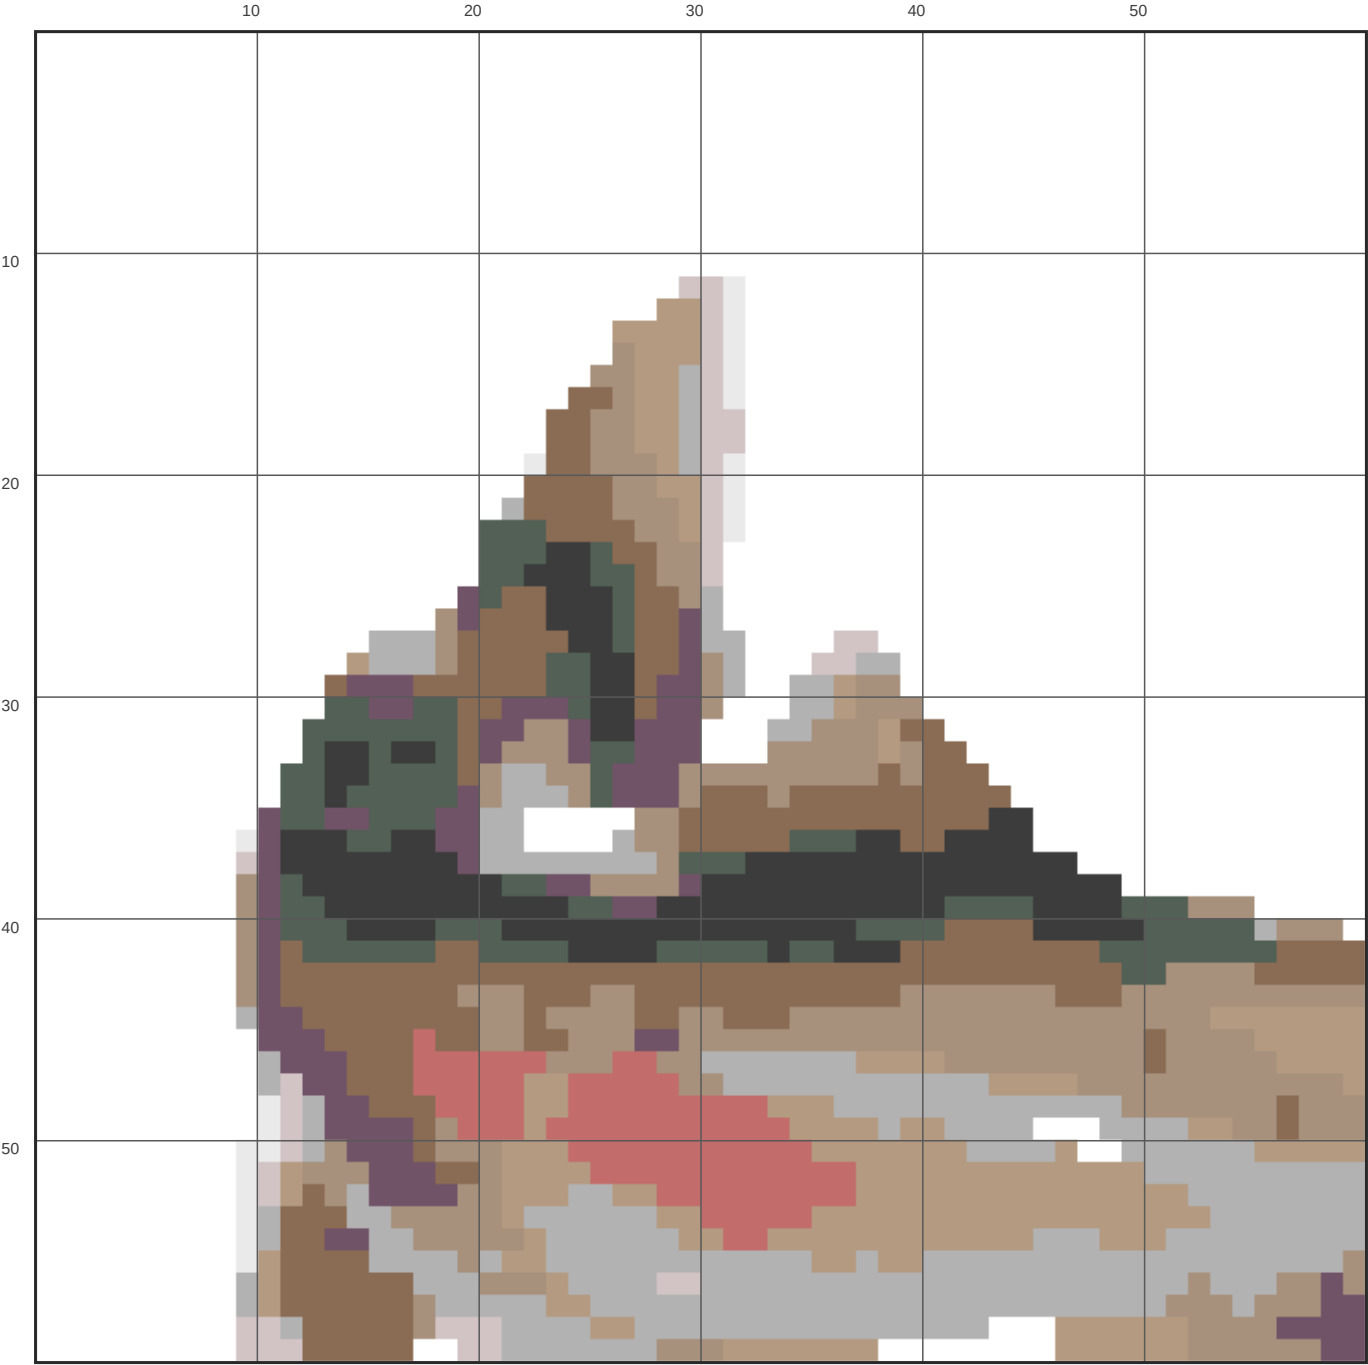

Chart 2 — rows 1–60, columns 61–100

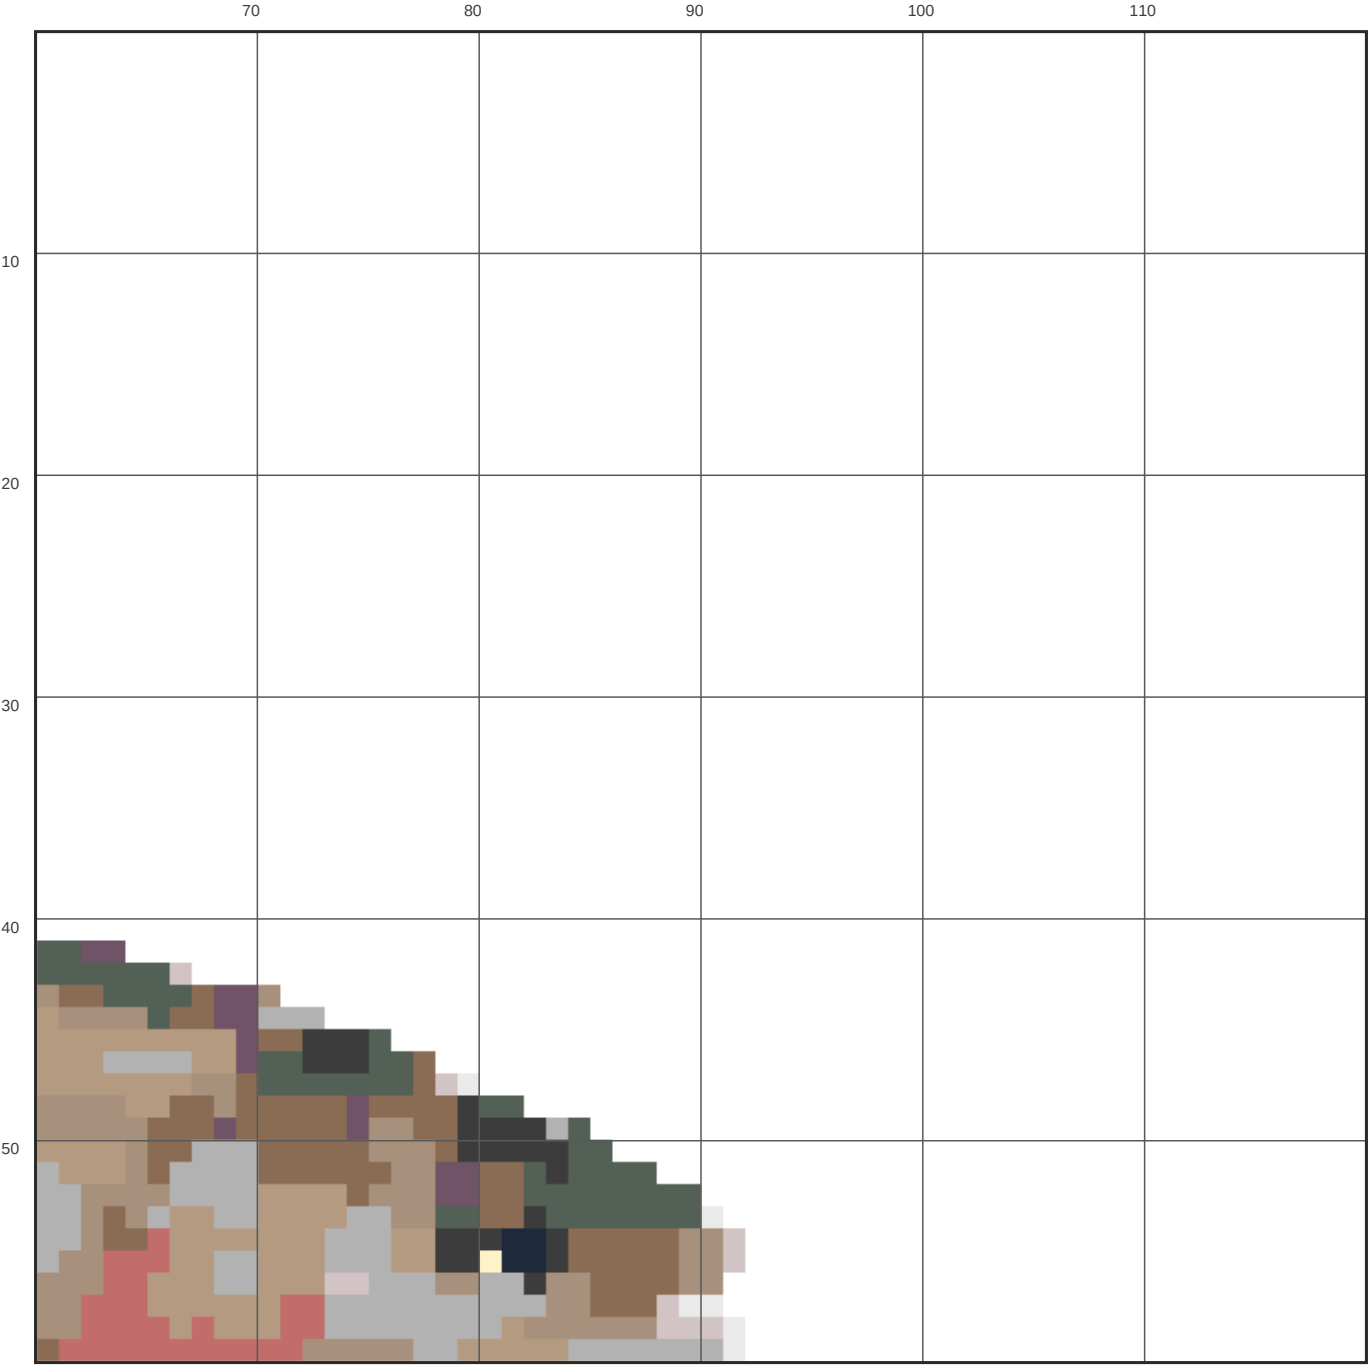

Chart 3 — rows 61–100, columns 1–60

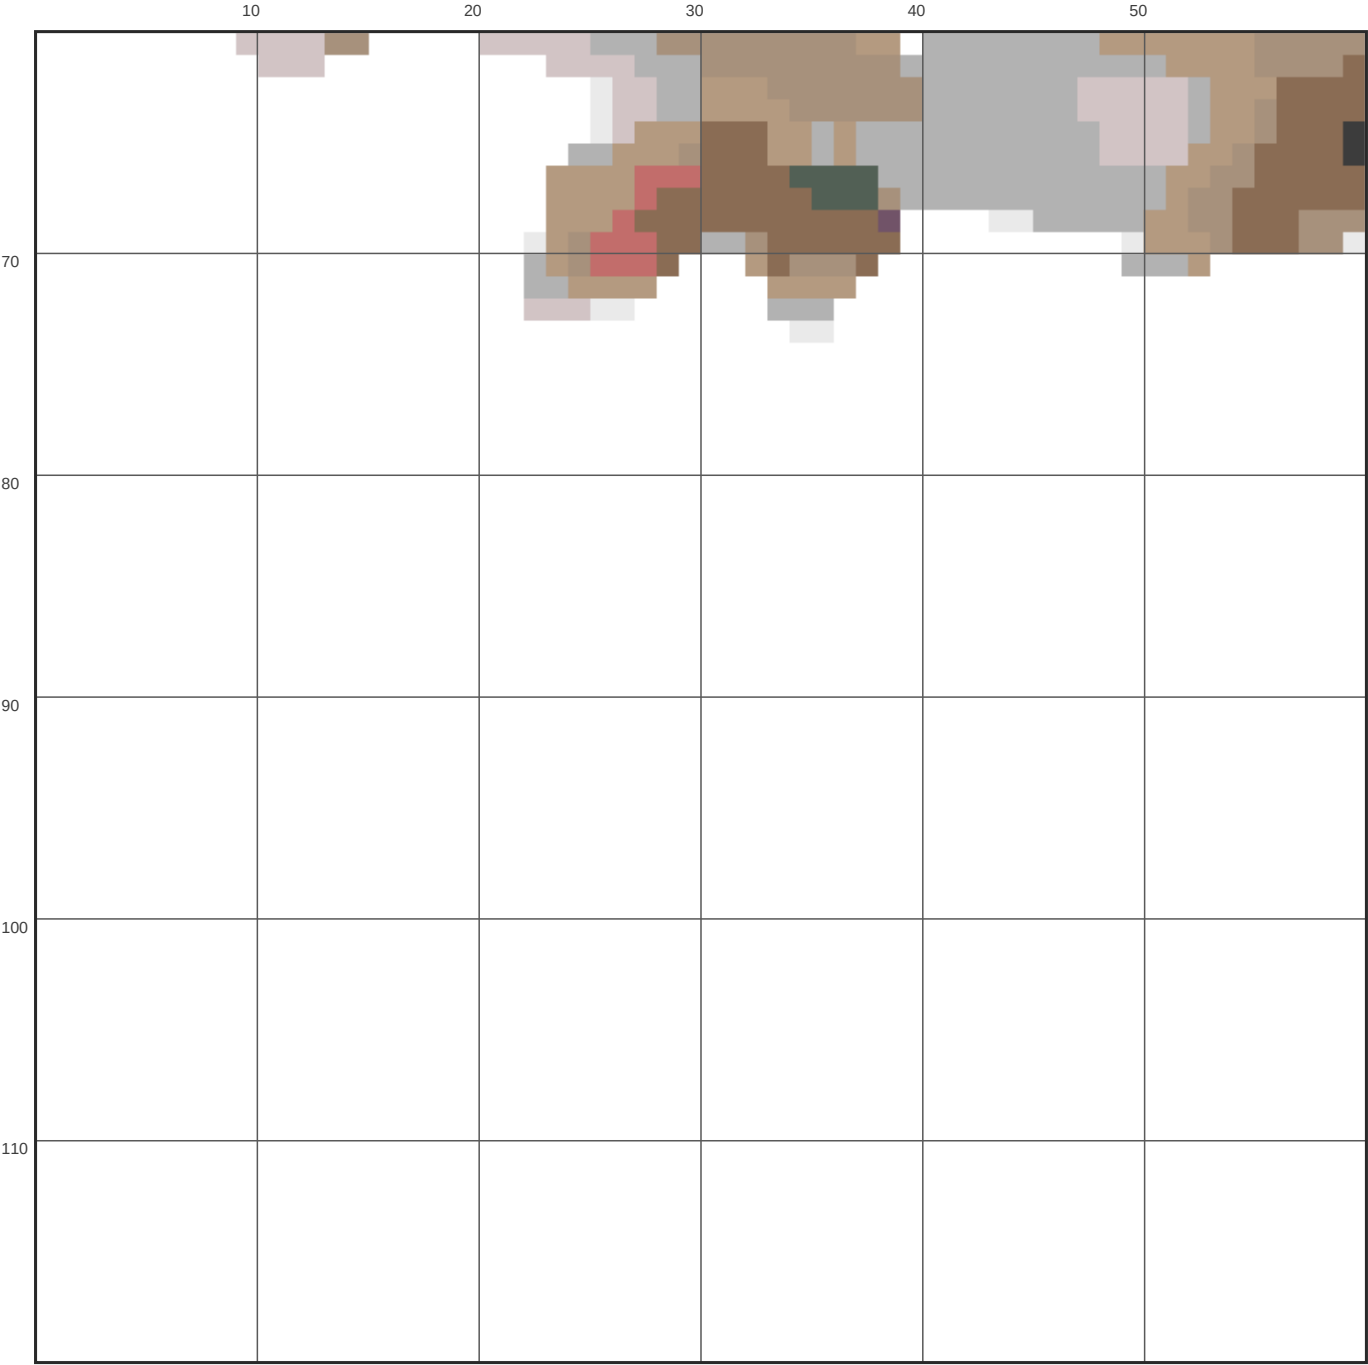

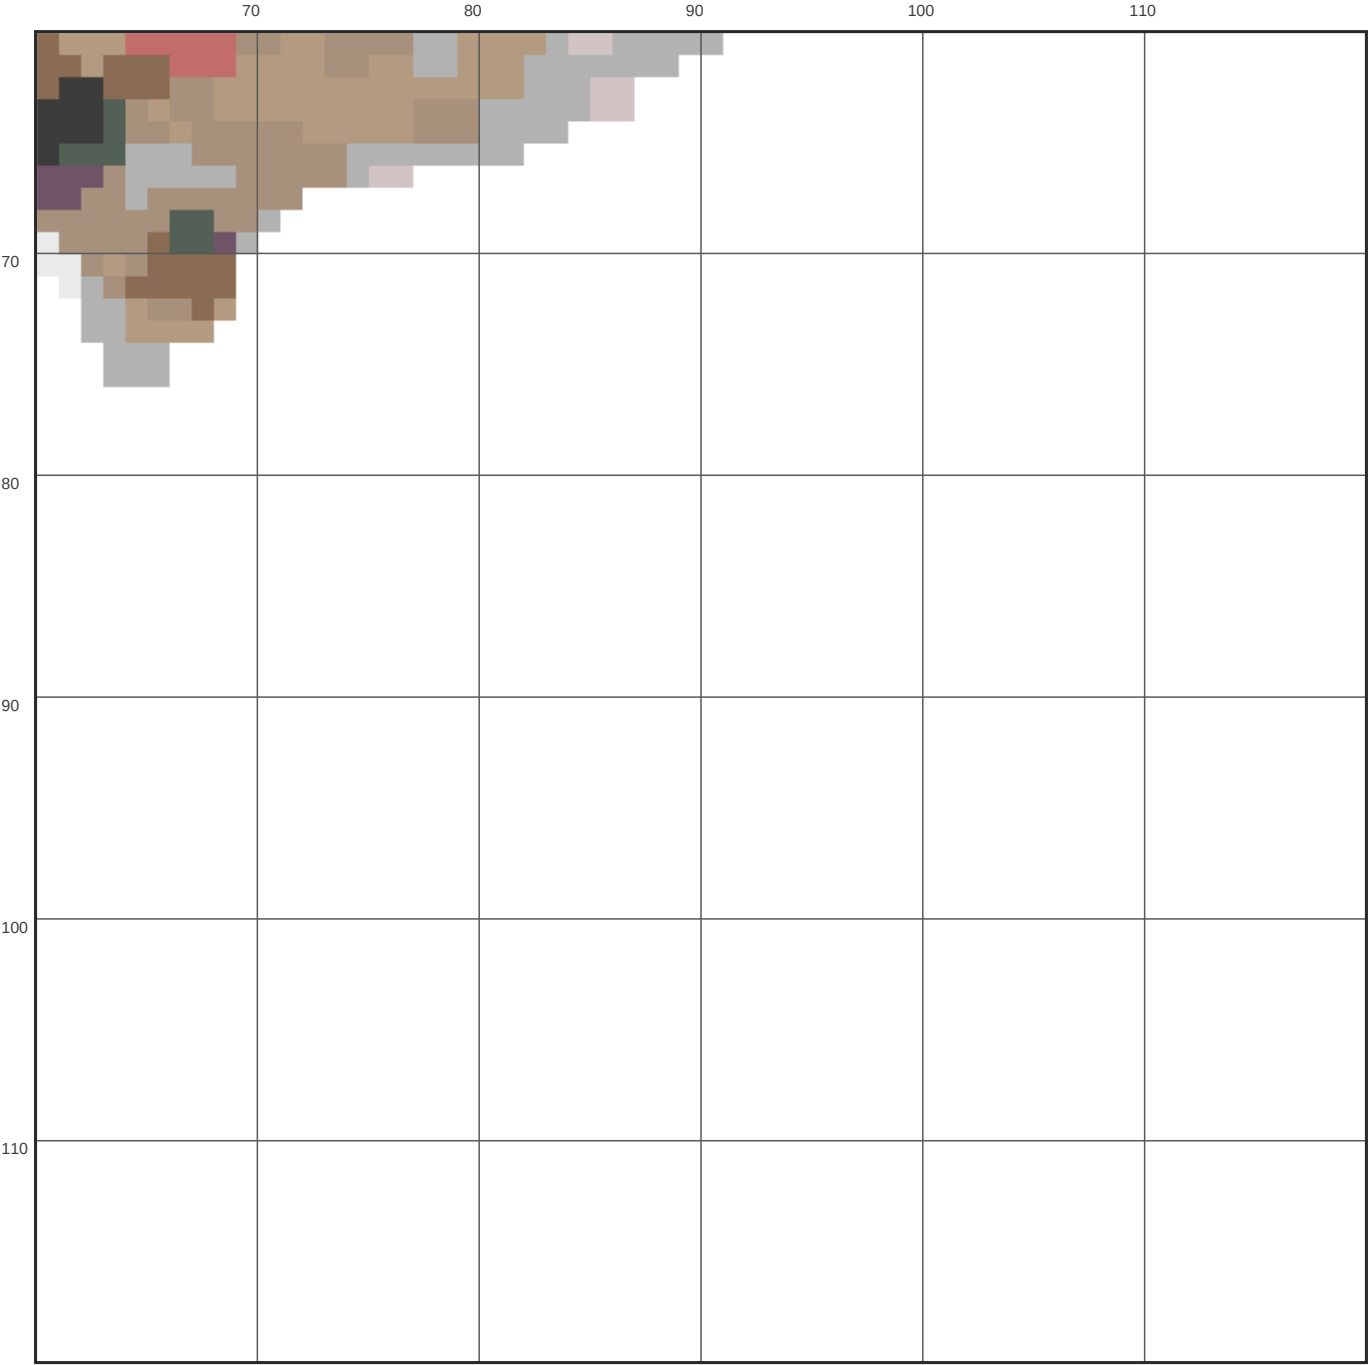

Chart 4 — rows 61–100, columns 61–100

How to Stitch

Materials

Fabric: 14-count Aida, 7.14 × 7.14 in (18.1 × 18.1 cm). Embroidery floss in the 13 DMC colors from the color key — one 6-strand skein per color (see skein column; you may need 2 for the highest-count colors). Size 24 or 26 tapestry needle.

Getting started

Find the center of your fabric and the center of the chart. Work from the Full Design Overview page to orient yourself, then use the numbered chart tiles. Each square on the chart is one cross stitch over one thread of 14-count Aida.

Stitching

Make each cross stitch the same direction (bottom-left to top-right, then bottom-right to top-left) for a smooth finish. Match each chart symbol to its color in the Materials & Color Key. Work in 10-stitch sections using the heavy gridlines to keep your place.

Finishing

When stitching is complete, gently wash with mild soap, rinse, and roll in a towel. Press face down on a padded surface, then frame, hoop, or finish as desired. Block the piece if it has distorted.
